Minnesota State Fair
FOUNDATION
2020 Annual Report

Thank you for joining us this year in preserving and improving the historic Minnesota State Fairgrounds and supporting beloved State Fair programs.

To our supporters:

Since its inception in 1854, the Minnesota State Fair has been a place where Minnesota has come together to learn, show, experience and celebrate. The State Fair is one of our most treasured cultural traditions, welcoming all of Minnesota and holding a special place in so many of our hearts, generation after generation.

In 2020, for the first time in over 60 years and for only the 6th time in its history, the Minnesota State Fair was canceled.

For so many, the news was devastating. For the State Fair and the Foundation, the impact was immense. However, the Minnesota State Fair is enduring and resilient. The Foundation was created to preserve and improve the buildings, fairgrounds and programs of the Minnesota State Fair, and if anything, this year has affirmed the critical importance of our mission and work.

We want to take this time to thank all who supported the State Fair through the Foundation this year and extend a special welcome to our many new Friends of the Fair (read more about it on page 6). We'd also like to thank the founding members of the 1854 Society who will ensure the future of the fair with a gift through their estate plans. Your support helps our fairgrounds continue to welcome Minnesotans to our beloved Great Minnesota Get-Together for years to come!

Sincerely,

Sandy Craighead

At the Fair

INTRODUCING THE 1854 SOCIETY

In 1854, a group of Minnesotans had great foresight as they launched what we now know and love as the Minnesota State Fair. Their vision and dedication created a fair that would become one of Minnesota's premier institutions which endures as a time-honored and beloved tradition.

The Foundation's new 1854 Society recognizes the generosity of our forward-thinking donors who have made a commitment to benefit the fair beyond their lifetimes through inclusion in their estate plans.

2020 YEAR IN REVIEW

2020 was anything but usual, and we'd like to acknowledge and thank you for supporting the State Fair through it all. You made an impact this year for the future of the fair!

Cancelation of the Fair

"We knew this outcome was a possibility and are saddened along with you. Because of its significant economic impact, a year without a fair will present challenges for many, including the State Fair which is self-supporting and does not receive state funding. The Foundation will continue to work hard in our mission to preserve and improve the Minnesota State Fair for generations to come." –Mary Chung, Foundation Executive Director

After the May 22, 2020 announcement of the cancelation of the fair, we received an outpouring of support for Minnesota's favorite tradition.

Incredible Support from Friends, New and Returning

Thank you to everyone who signed up as a Friend of the Fair and helped the Foundation meet and exceed our 1,000-member match challenge unlocking an extra \$50,000 from the boards of the Foundation and Minnesota State Fair! During the original Food Parade and the encore in the fall, the Foundation was thrilled that over 3,000 fair fans joined or renewed as official Friends of the Fair, a new record.

Friends of the fair are key in the Foundation's ability to support the future of the Fair!

Our First-Ever Online Auction – A Success!

While the Taste of the Fair couldn't go on as planned, we were excited to host the Foundation's first-ever online auction, presented by By The Yard.

Thank you to all who bid on exclusive experiences, behind-the-scenes tours and commemorative State Fair art as a part of this 12 day fundraiser in support of the Minnesota State Fair!

Continued renovations to the Robert A. Christensen Pavilion (formerly Swine Barn)

As part of ongoing efforts to improve the historic livestock area facilities, the old concrete show rings in Christensen Pavilion were replaced, a project made possible by the generosity of donors to the Swine Barn Improvement Project. The layout of the new show rings will provide an improved experience for exhibitors and better viewing for spectators.

Supporting the Educational Endeavors of Youth

In 2020, the Minnesota State Fair awarded its first-ever Christensen Family Scholarship to Nicole Koziolk of Northfield, made possible through an endowment funded by Christensen Farms with the Minnesota State Fair Foundation. This scholarship will be awarded annually to students who have demonstrated leadership and achievement in youth livestock programs as well as their involvement in the local community.

The Foundation also provided the funding for twenty Minnesota State Fair Scholarships in 2020, to help the State Fair continue its tradition of supporting youth in their educational pursuits.

The Fine Arts Exhibition of Minnesota with In-Person and Virtual Viewing Options

We were proud to provide financial support for the 2020 Fine Arts Exhibition of Minnesota which showcased the artwork of 346 talented artists from across the state. The exhibition took on a new format this year with timed entry tickets as well as online viewing options including a video-recorded tour and free virtual catalog. During the show's 12-day run, 48 works of art were sold, with 20% of the proceeds benefiting arts programming at the fair.

Minnesota State Fair: At-Home Edition

Over what would have been the 12 days of the fair, fans were able to bring the fair home with the Minnesota State Fair: At-Home Edition. Funds from Foundation donors helped make this accessible experience possible for all. The Minnesota State Fair: At-Home Edition included “did-you-knows,” demonstrations and entertainment, history tidbits, contests, behind-the-scenes peeks, plenty of photos and fun activities on social media and mnstatefair.org.

Taking Care of Our Beautiful Fairgrounds

There's nothing we look forward to more than our next State Fair. The Foundation has long supported environmental projects across the fairgrounds, and this year, made significant grants for fairgrounds maintenance, preservation and improvements to ensure that the fairgrounds are ready to welcome you back.

We found creative ways to “get-together” – be that virtually, socially distanced or by car! While this may not have been a typical year for the Minnesota State Fair, the summer and early fall brought several events including Food Parades, virtual exhibits and activities, and Fine Arts!

Gifts That Last Forever

MINNESOTA STATE FAIR FOUNDATION ENDOWMENT

In addition to providing funding for current programs and projects, the Minnesota State Fair Foundation also gives donors the opportunity to support the State Fair in perpetuity through an endowment.

The **Foundation's General Endowment** supports the areas of the State Fair's greatest needs. Gifts of any amount can be directed to the general endowment or to any existing endowment fund.

During the year, \$34,471 in grants were made from the Foundation endowment and as of October 31, 2020, the Foundation held endowments of \$1,449,501 with an additional \$159,114 in pledge commitments.

We thank our donors who have created or contributed to the following endowments. Their investments create a permanent legacy of support for the Minnesota State Fair:

An endowed fund is a permanent, self-sustaining source of funding for the Minnesota State Fair. Endowment assets are invested and each year a portion of the fund is paid out to support its purpose. Earnings above the amount distributed are used to build the fund's value so the endowment can grow and provide support for its designated purpose in perpetuity.

You can learn more about Minnesota State Fair Foundation endowments by calling 651-288-4326 or visiting msffoundation.org/endowment.
