2021 ANNUAL REPORT

Minnesota State Fair
FOUNDATION
2021 Annual Report

Thank you for helping welcome back the Great Minnesota Get-Together!

To our supporters:

On August 26 at 6 a.m., the Minnesota State Fair welcomed its first guests in nearly two years. Swinging open the gates were Donna and Phil, dedicated Foundation supporters and the winning bidders of the “re-open the fair” auction package at the Taste of the Fair event. With the ring of a cowbell and the cheer of an eager crowd, the 2021 Minnesota State Fair was underway! Over the next 12 days, 1.3 million guests had the joy of taking part in the unforgettable traditions and memories only found at the Minnesota State Fair.

The fair's cancellation in 2020 created historic challenges for the Minnesota State Fair, and 2021 marked the beginning of the comeback.

In the midst of these challenges, Foundation supporters stepped up in incredible ways to help their fair. More than 5,500 Friends of the Fair donated to the Foundation for the 2021 State Fair (a record number of Friends!), while hundreds more contributed to specific efforts and endowments.

Through the generosity of our Friends and donors, the Minnesota State Fair Foundation was able to support first-time youth livestock exhibitors, enhance favorite fair activities such as the Bee & Honey and Fine Arts programs, provide funding for local artists to create a large-scale public art experience, and continue to improve buildings and infrastructure of our beautiful fairgrounds.

We thank you for the dedication you have shown to the Minnesota State Fair and Foundation and look forward to what we can accomplish together next!

Sincerely,

Jason Koerth

Gifts That Last Forever

MINNESOTA STATE FAIR FOUNDATION ENDOWMENT

During 2021, \$56,297 in grants were made to the fair from Foundation endowment funds. As of October 31, 2021, the Foundation held endowment investments of \$2,045,175 with an additional \$132,959 in pledge commitments.

In addition to providing funding for current programs, the Minnesota State Fair Foundation provides donors with the opportunity to support the State Fair in perpetuity through the Foundation endowment. The Foundation has 30 named endowment funds, and the general endowment supporting the greatest needs of the fair.

An endowed fund is a permanent, self-sustaining source of funding for the Minnesota State Fair. Endowment assets are invested, and each year a portion of the fund is paid out to support its purpose. Earnings above the amount distributed are used to build the fund's value so the endowment can grow and provide support for its designated purpose in perpetuity.

Creating an endowment with the Minnesota State Fair Foundation - or adding to an existing endowment - shows your love for the Minnesota State Fair through a gift that lasts forever. You can learn more about Minnesota State Fair Foundation endowments by calling 651-288-4328 or visiting msffoundation.org/endowment. A full listing of named endowment funds is also available on our website.

We are thankful for our donors who established the following endowment funds in 2021. Their investments create a permanent legacy of support for the Minnesota State Fair.

- **Joe and Ann Fox Family Fund for State Fair 4-H Building and Programs** will benefit the Minnesota State Fair's needs for the 4-H Building, including maintenance and programming.
- **Jack and Leila Nessen Fund for Accessibility** will be used to improve the experiences of people with physical, sensory or cognitive disabilities on the fairgrounds by improving facilities, enhancing programming and increasing accessibility.
- **Kent and Judith Harbison Endowment for the Minnesota State Fair** will supply funds for the greatest needs of the fair.
- **Sherry Turner Oleson Fund for Youth Scholarships** will provide funds for Minnesota State Fair youth scholarships, investing in the educational endeavors of youth involved in agriculture.
- **Michele Pierce Minnesota State Fair Endowment** will be used to promote legacy giving to the Foundation and technology enhancements at the fair.
- **Rustad Family Fund for the Minnesota State Fair** will provide funds for the greatest needs of the fair.
- **Shirley Sailors Fund for Premiums** will supply funds for Minnesota State Fair Creative Activities competition premium awards.
- **Tim and Kim Scanlan Fund for Free Entertainment** will benefit free stage entertainment programming and improvements at the fair.

Donor Profile

Donald Lewis & Michael Fridgen

Donald Lewis and Michael Fridgen love everything about the Minnesota State Fair: the food, the tradition, the people-watching, entering creative activities and agriculture competitions. In 2021, Michael won a blue ribbon and People's Choice for his Christmas Tree Decorating with hand-painted ornaments honoring their travels, and Donald won a blue ribbon for his "Fair-whal" decorated pumpkin.

"As a psychologist, the fair is an amazing experience!" Donald remarks. "Seeing all those people from every walk of life. It's absolute heaven to see everyone being who they want to be, expressing themselves all in one place! It's a melting pot of Minnesota, and everyone is so happy to be at the fair."

Donald and Michael became Friends of the Fair in 2015 and started thinking about their estate plans. With an email including reference to "the great Pronto Pup stand in the sky," Donald and Michael shared their intent to name the Minnesota State Fair Foundation as the beneficiary of the property in their estate plan and their IRAs.

In response to how they came to the decision to include the Foundation in their future plans, Donald answers: "We asked ourselves, 'What brings the most happiness and will continue to bring happiness to others and so many families for a long time?' When we made the decision to write the Minnesota State Fair Foundation in our wills, it just made sense, like 'of course!' We love the fair, it always brings us pure joy."

"It's always good to have your ducks in a row. Ask yourself, 'Do I have my paperwork set?' Life is uncertain, take the time to get your stuff in order." Michael encourages everyone to make plans for the future and to give to what makes them happy. For Donald and him, that's the Minnesota State Fair.

2021 YEAR IN REVIEW

Thank you to everyone who visited the Foundation at the Great Minnesota Get-Back-Together in 2021 (and for those who couldn't make it or decided to sit last year out, we look forward to having you join us at the fair in 2022)!

The Great Minnesota Get-Back-Together

While 2021 certainly will be remembered as a fair with unprecedented challenges, it will also be remembered for being the time when we were finally able to get-back-together with our fellow Minnesotans and enjoy the beloved traditions that we had so missed in 2020.

Taste of the Fair

We were excited to host an in-person Taste of the Fair, presented by By The Yard. Thank you to our concessionaire partners who provided the food and beverages, to those who bid on exclusive State Fair items and experiences, and to all who attended this fundraiser in support of the Minnesota State Fair!

Friends of the Fair vote to improve "Fairgrounds Environment"

During the 2021 fair, more than 2,000 Friends of the Fair voted on how the inaugural Friends of the Fair

Special Project Grant should be used. The winning program area was Fairgrounds Environment, which funded the replacement of a stretch of deteriorated and damaged sidewalk, helping to make the fairgrounds more accessible and a better experience for everyone who visits. Additional funds were raised for this project, thanks to Give to the Max Day supporters.

Public art depicting a "Joyful World"

The Foundation is proud to support public art at the fair. Throughout the fair's 12 days, artists were on-site creating murals that reflected the world they want to live in. Imagination and joy came to life as local artists painted 12 large-scale artworks in the Joyful World Mural Park.

Joyful World Mural Park 2021 was produced in partnership with Forecast Public Art and the Minnesota State Fair, and was funded by the Minnesota State Fair Foundation.

Creative Activities gets cool updates

Several exciting projects were completed in the Creative Activities Building during the extra-long break between fairs and debuted at the 2021 Minnesota State Fair. Through donations to the Minnesota State Fair Foundation from Mark and Kim Mueller, the fair installed a new, larger cooler to display cakes, breads, pies and other baked goods during the State Fair. Their donations also funded a much-needed coat of paint on the ceiling of the Creative Activities Building, brightening the exhibit area, along with several smaller projects.

Supporting the educational endeavors of youth

In 2021, the Minnesota State Fair awarded 22 scholarships to students who have demonstrated leadership and achievement in youth livestock programs as well as their involvement in the local community. Funding for these scholarships was provided by the Minnesota State Fair Foundation.

Investing in youth exhibitors

Your support helped to invest in youth exhibitors by establishing the annual Beginning Exhibitor Livestock Learning Experience (BELLE) Grant. This new grant provided funds for youth exhibitors who committed to participating in the Minnesota State Fair

for the first time in 2021. This grant was created to encourage first-time participants and to help offset the costs of exhibiting livestock at the Minnesota State Fair. Fifteen applicants were chosen to receive BELLE Grants to participate in the 2021 State Fair. In addition to financial support, each recipient was assigned a peer mentor to help them along the journey.

More than a decade of commemorating memories on pavers

The Minnesota State Fair is not only a gathering place for people, but it is also a home for stories, histories, special occasions and treasured memories - many of which are captured in the names on benches and bricks purchased through the Minnesota State Fair Foundation.

Recognition bricks have been a favorite of Foundation donors throughout the years. With more than 5,000 personalized bricks on the fairgrounds, our plazas have run out of space, and the program has now come to a close. We're thankful to every donor who has shared their stories with us and fair guests!

The cancellation of the annual fair in 2020 created historic challenges for the Minnesota State Fair, and 2021 marked the beginning of a comeback. We'd like to acknowledge and thank you for supporting the State Fair through it all. Your support helped the fair weather the storm and truly brightens the future of the fair!

Thank You to Our Grand Champions!

The Minnesota State Fair Foundation gratefully acknowledges our 372 Grand Champions who provided support in 2021. You are a key partner in our mission of helping the Minnesota State Fair continue to thrive.

Join other Grand Champions and invest annually in preserving and improving the Minnesota State Fair.

Why Be A Grand Champion?

Grand Champions are invited to events throughout the year that give a peek behind the scenes of the Great Minnesota Get-Together. Grand Champions also receive special recognition annually on the Minnesota State Fairgrounds and hospitality during the 2022 State Fair.

How Can I Become A 2022 Grand Champion?

To become a 2022 Grand Champion, make a gift to the Minnesota State Fair Foundation of \$1,000 or more. You may choose to support any one of our five program areas, sign up to be a Friend of the Fair at the Purple Ribbon level, customize a bench or table on the fairgrounds or donate to one of our endowments or capital projects. Foundation Legacy Award Enestvedt Family

During the 2021 Minnesota State Fair, the Enestvedt Family received the Minnesota State Fair Foundation Legacy Award in recognition of their dedicated service to the fair for nearly a century, and their role in making the State Fair the treasured experience it is today.

For more than 82 years, the Enestvedt Family participated in the Minnesota State Fair as a staple of Machinery Hill. Many fair guests made it a tradition to stop by the Enestvedt Seed Company's exhibit at the fair and visit.

The Enestvedt Seed Company was the longest-running continual exhibitor at the Minnesota State Fair with their final exhibit in 2019. Their exhibit started in a small tent where they showcased a few ears of the forerunner and early hybrid corn. They then upgraded to their iconic building where, for decades, they displayed their latest seeds and enjoyed educating the public on agriculture, farming and all aspects of where food comes from.

In 2011, the Minnesota State Fair board designated a State Fair day in honor of Bert and Iverne, their love for the fair and their dedication to sharing agriculture with fair guests. The Enestvedts' support of the Minnesota State Fair Foundation dates back to its early days, and they provided one of the first significant gifts to the Foundation for improvements to the Agriculture Horticulture Building in 2005.

"I recall talking to Bert about the importance of maintaining the Ag-Hort Building. We shared with him that there had been some damage to the building and the need to repair and replace some windows. We told Bert how much we were looking for, and he said he would think about it. The next day, he drove in from his 1,500-acre farm in Sacred Heart and gave us the check. He loved the Minnesota State Fair." -Dave Johnson, founding Minnesota State Fair Foundation board member
