Dear Donors and Friends,

The accomplishments noted in this Annual Report were possible because of your generosity and interest in preserving and improving the State Fair for future generations. Please join us in celebrating our 12th fiscal year - 2013.

Through your donations of time and money, the Foundation helped create a new performing arts program, kept the fairgrounds green, preserved State Fair history and improved our historic buildings. Overall, your support helped millions of State Fair guests learn something new, enjoy family traditions and be part of the most unifying cultural experience ever. We have close to 3 million people who annually visit our State Fair and these fairgrounds. Some are here to take quiet morning walks in the middle of the winter, while others enjoy revving their engines at the Back to the 50s car show. Most visitors to the fairgrounds, though, come as guests to the 12-day State Fair for competitions, people watching, foods on-a-stick and more.

Looking ahead, we are excited to invite your involvement with the West End Market. Foundation funds will help build a new History & Heritage Center, create new museum exhibits, preserve the 1930s Streetcar Arch, add greenery and provide a new amphitheater for music and performing arts. Over the course of 2014, we will keep you posted on our progress and let you know how you can be part of our mission.

Thank you for your interest in the Foundation as the nonprofit that exclusively supports the Minnesota State Fair. Please come and visit us at the J.V. Bailey House on the fairgrounds where we office year-round.

Thank you,

Pat Bailey
Chair, Board of Directors

Executive Director

On the Cover: The 1930s Streetcar Arch is an icon of State Fair history and will be prominently placed in proximity to the new gate between the Grandstand and the West End Market. Built in 1933, the Arch welcomed thousands of guests who arrived on streetcars.

• Grants of $535,680 were made to the Minnesota State Agricultural Society (State Fair), primarily for AgStar Arena. Other grants were made in agriculture, history, environment, art and education.

• Temporarily restricted net assets of $734,078 were retained for future grants.

• One hundred percent of Foundation Board members participated in Taste of the Fair, the Foundation’s annual fundraiser.

• For a sixth year, we had favorable unrestricted net assets, strengthening the capacity to fulfill our mission.

• Donors contributed toward named endowments and the general fund endowment. Investments are held in the Vanguard Star Fund, where yearly earnings averaged 17.8 percent.

• Three hundred volunteers contributed their time to support our mission by greeting fair guests, promoting the Foundation and selling merchandise.
Donors, families and friends had a ball at the 10th annual Taste of the Fair fundraiser. The event drew 800 guests, featured 11 different concessionaires and four new foods, and grossed over $130,000 in support of the Foundation mission to preserve and improve State Fair buildings, grounds and educational experiences.

Guests tried their hand at Mighty Midway games of skill presented by Candy Anderson and supported the Foundation through fundraising activities such as the Blue Ribbon Wall, Pick-a-Pin and bids on many auction items. The success of the event revolved around contributions from State Fair concessionaires: Chicago Dogs, Dino’s Gyros, Juanita’s Fajitas, Mancini’s, Minneapple Pie, Peter’s Hot Dogs, Pitchfork Sausage, Poncho Dog, Ribco, Shanghaied Henri’s and Sweet Martha’s.

The 2014 Taste of the Fair will be on Thursday, August 14.

Donor Hospitality at the Bailey House

In 2006, the Bailey family stepped forward to honor J.V. Bailey with a contribution to the Foundation that led to naming of the former greenhouse residence.

The J.V. Bailey House provides a front face for the Foundation and a place of respite and hospitality. This year, Foundation board members and volunteers greeted 3,000 donors and friends at the Bailey House over the course of the 12-day fair.

Hosting supporters of our mission opens up avenues for sharing State Fair stories and making new memories.

Board members, from left to right: Frank Parisi, Terry Gilberstadt, Sandy Craighead and Board Chair Pat Bailey.
Supporting Arts and Culture

*Arts A'Fair*

Foundation donors, including leadership support from the John S. and James L. Knight Foundation, helped launch the first Arts A'Fair. This performing arts program featured pop-up performances representing a dozen Minnesota theatre, dance and drumming groups. Performers included History Theatre, Mu Performing Arts, Summerset Theatre, Zorongo Flamenco and Duniya Drum and Dance.

The Knight Foundation is also helping to fund Arts A'Fair in 2014, which will be an encore celebration of Minnesota performing arts.

*First Glance*

Arts benefactors supported the Foundation by attending First Glance, a private preview of the State Fair Fine Arts Exhibition. The 200 guests were able to purchase artwork at the event, with 20 percent of sales benefiting a board-designated fine arts fund through the Foundation. Guests selected *Marathon* by John Salminen to receive the First Glance Award.

The 2014 First Glance event will be on Tuesday, August 19.

*Honoring Paul S. Kramer*

The Foundation featured paintings by Paul S. Kramer (1919-2012) during the State Fair in a tribute gallery at the J.V. Bailey House. An annual fine arts award was established in his honor with memorial contributions.

The State Fair played a prominent role in Paul’s life and career, starting with winning a prize in oil painting at the fair in 1952 and continuing with his service as superintendent of the fine arts program at the State Fair for a decade. He garnered numerous awards and accomplishments as an unparalleled modernist painter of Minnesota scenes. During the fair, the Foundation also sold Afton Press’ book *Other Realities: The Art of Paul S. Kramer.*

The Minnesota State Fair is as popular as ever and successfully lives up to being the Great Minnesota Get-Together. It is internationally acclaimed and has served generations of Minnesota families.

With a history that is older than Minnesota, the State Fair serves a broad audience, blending rural and urban, young and old, and all income levels. Generations of Minnesotans from Austin to Zumbrota are connected to the State Fair. More than 1.7 million people attend the fair annually with an additional 1 million attending 120 other events held on the fairgrounds.

Because resources for capital and program improvements are limited, the State Fair created the Minnesota State Fair Foundation as the 501(c)(3) nonprofit to bring forward new funds for State Fair buildings, grounds and educational programs.

Since its founding in 2002, the Foundation has provided more than $6 million of facility and program improvements in agriculture, art, environment, education and history. Major accomplishments include improvements on the Lee & Rose Warner Coliseum; construction of the CHS Miracle of Birth and FFA Center, the Moo Booth and AgStar Arena; a range of preservation projects including the J.V. Bailey House, the Grandstand Marquee and animal barns; and an enhanced environment with trees, vines and seating.

Looking ahead, the Foundation will help the State Fair continue to be Minnesota’s leading cultural and educational experience.

Our History & Heritage Campaign

The new West End Market, located on the previous site of Heritage Square, is one of the largest redevelopment projects to take place on the fairgrounds since the 1930s.

This $15 million project will provide a new gateway to the fairgrounds, a transit hub, retail spaces, performance venues, guest amenities, and a new State Fair History & Heritage Center.

To help fund the project, the Foundation has undertaken the $4 million History & Heritage Campaign. Donors will be supporting the new History & Heritage Center and its exhibits, a new amphitheater, greenery, and preservation of the 1930s Streetcar Arch and Frost Collection of artifacts and images from the old State Fair History Museum.
The State Fair and the Foundation are partnering with the Minnesota Historical Society to develop the exhibits celebrating State Fair history. Dan Spock, head of the Society's award-winning exhibitions program, writes about the project:

“The fair has deep and expanding roots as not only a premier cultural institution but also as a Minnesota way of life for over 150 years. The fair celebrates the bountiful harvest of fun, passion, community talent, and head-turning stories connecting generations of Minnesota’s families.

Using a blend of artifacts, interpretive media and interactives, the exhibition will celebrate the fair’s rich history, stimulate memories, and spark discussions about the fair’s meaning and significance in the lives of Minnesotans and in the history of our state.”

We invite you to join us in making the History & Heritage Campaign a great success.

- Donors of $10,000 and above will be permanently recognized in the new State Fair History & Heritage Center.

- Donors of $1,000 and up will have the opportunity to name a bench that will be placed in the new West End Market for at least five years.

- Gift commitments of $1,000 or more may be fulfilled over three years. Contact us regarding multi-year pledges or monthly giving.

Thanks to the generous response of our donors, including three major leadership gifts, we are nearly half way to our goal.

Visit www.msffoundation.org or call Mark Haidet at (651) 288-4322 for more information about how to make a gift to the History & Heritage Campaign.
We salute our leadership donors who have pledged or given $10,000 or more to the History & Heritage Campaign. Throughout 2014, we invite contributions at all levels, leading us to a successful $4 million campaign.

These contributions are also reflected in the overall donor list:

“Thank you for supporting the State Fair, one of our state’s greatest and well-known traditions.”
- Pat Bailey, Chair
Foundation Board

For nearly 80 years, the Minnesota State Fair has been an important and memorable event in the lives of Hugh and Peggy Schilling. Hugh grew up in the neighborhood near the fairgrounds and attended his first State Fair around 1935 when his parents brought him to the Horse Show.

For the next several years, Hugh did not miss a fair day. He, along with his friends and siblings, gained free admittance either by climbing over or burrowing under the fence when the horse patrols were elsewhere on the line, or securing a 4-H leaf hand stamp. “The 4-H smudge was a prized possession – once obtained, we did not wash it off until the end of the fair.” Peggy also regularly attended the State Fair as a youngster, accompanying her father who sold wooden silos.

Looking back, Hugh’s favorite fair memories include: the horse shows, the car races on the dirt track, Thrill Day, the Royal American Midway, Machinery Hill, and 50 cent hot air balloon rides. The Schillings continue to attend the State Fair about every other year. As Hugh explains, “There is a great variety of things to see and do at the Minnesota State Fair – there is no better place for people watching!”

In recognition of their long-time association with the Minnesota State Fair and all the wonderful family memories it generated, Hugh and Peggy have made a leadership gift of $750,000 to the History & Heritage Campaign. The new amphitheater in West End Market will be permanently named in their honor.

We are grateful to Hugh and Peggy and all of our friends who have contributed over $1.7 million to the Campaign as of February 1. Your generosity will help to preserve and share the history of the State Fair and its importance to Minnesota.

We salute Jim Foss for his service on the Foundation Board of Directors. He and his wife, Liz, are from Kenyon, Minn.

Jim was appointed Agricultural Society liaison to the Foundation in 2007 and has completed his term of service. While serving on the Foundation Board, Jim chaired the Nominating Committee, and as a donor and champion of the Foundation he was an advocate for letting others know how their contribution could make a difference.

He would say "The Foundation helps with getting tangible and visible improvements done for the fair, and this is what a donor wants: to see how their contribution makes a difference.”

Jim and Liz have been loyal donors to the Foundation, starting with contributions in 2002 as one of the First 100, and continuing with support for recognition benches, AgStar Arena, Moo Booth, Memorial Tributes, the endowment and most recently a gift to the History & Heritage Campaign.
Thank you for supporting the Minnesota State Fair Foundation nonprofit mission to preserve and improve the historic Minnesota State Fairgrounds, and support State Fair agricultural, scientific and educational experiences. We invite you to consider one or more of these ways to contribute:

**Membership** – Annual *Friends of the Fair* members receive State Fair benefits which may include gate admission, access to preferred seating for Grandstand shows and recognition bricks and benches.

**Unrestricted** – Gifts at all levels support our mission, sustain Foundation operations, and fund future grants. This includes purchases at the State FairWear Gift Shops, Commemorative Poster sales, and Blue Ribbon Bargain Books.

**Campaign** – Consider a gift to the *History & Heritage Campaign*, helping to build a new history museum, amphitheater and more at the West End Market.

**Endowment** – Add to our general fund endowment, create a named endowment or launch a program area endowment for an area that is of special interest to you or your family. Program areas are agriculture, art, education, fairgrounds environment and history.

**Foundation Events** – Come to Taste of the Fair, First Glance and an educational event such as archives talks or fairgrounds tours.

**Volunteer** – Contact us if you are interested in volunteering during the State Fair or throughout the year.
