

Recognition Benches

at the Minnesota State Fair

Recognition benches are a benefit of joining the Minnesota State Fair Foundation's Friends of the Fair program.

This program adds seating to the fairgrounds, supports the nonprofit mission of the Foundation, and is a great way to honor loved ones and memories. Benches are eight feet long and are made of PVC-coated steel.

Where

Benches are placed in one of four zones on the fairgrounds. You select the color of the bench (red, blue, green or yellow), which determines placement - see the map on other side for details. Benches are stored during the winter months and placed annually before the State Fair.

Cost

Minimum contribution of \$2,500 (Friends of the Fair Silver Ribbon level). Each bench is covered by a five-year limited warranty.

Timeline

Bench orders must be received by July 1st for placement at the 2019 State Fair.
