2019 ANNUAL REPORT

Fiscal Year Nov. 1, 2018 – Oct. 31, 2019

Minnesota State Fair
FOUNDATION
2019 Annual Report

We invite you to join us in enriching
the unforgettable memories
and traditions you experience
only at the Minnesota State Fair!

To our supporters-

There is a reason it's called the Great Minnesota Get-Together! In 2019, an overall record of 2,126,551 people attended the fair over the course of its 12-day run. While the number itself is impressive, what's even more amazing is the amount of unique experiences, new things learned, and memories made.

The Foundation is proud to be a part of enriching the unforgettable memories and traditions you experience only at the Minnesota State Fair. It's an experience that can be simultaneously highly personal and broadly shared. It is unique in its diversity, representing all ages, geographies, cultures and abilities together in one place. The memories and traditions it creates are important parts of who we are as individuals, families and communities.

Whether you spend all of your time admiring the cakes and quilts, visiting the animals, looking at award-winning fruits and flowers, eating food-on-a-stick or people watching, the Minnesota State Fair is a key shared experience and a collective tradition. Thank you for helping to keep this tradition going strong and making millions of memories even more special.

Sincerely,

Sandy Craighead
Chair, Board of Directors

Mary Chung
Executive Director

Leaving a **LEGACY** At the Fair

Launching the **1854 Society**

In 1854, a group of Minnesotans had great foresight as they launched what we now know and love as the Minnesota State Fair. Their vision and dedication created a fair that would become one of Minnesota's premier institutions which endures today as a time-honored and beloved tradition.

In honor of our fair's beginnings, we are launching the new 1854 Society which recognizes our forward-thinking donors who have made planned gifts and shown dedication to benefiting the fair beyond their lifetimes.

To become a member of the 1854 Society and have a meaningful impact on the future of the fair, you can make a gift from your estate by including the Minnesota State Fair Foundation in your will or trust, or naming the Foundation as a beneficiary of a retirement account. There are also planned gift options that provide income to you or others.

If you have already included the Minnesota State Fair Foundation in your estate plans, thank you! In order to enroll you in the 1854 Society, we need to know a little

Donor Profile: **Jack & Leila Nessen**

Jack and Leila Nessen have been active contributors to the Minnesota State Fair Foundation since its very inception. The couple, who split their time between Turtle Lake, Wis., and the Big Island of Hawaii, are part of the "First 100," a group of donors whose contributions helped fund the Foundation's creation in 2002.

In 2019, Jack and Leila achieved another first, as the initial donors to establish a charitable gift annuity to benefit the Foundation. "A Foundation staff member mentioned that they had a 'menu of options' for donating to the Foundation, and I realized there was one option that was not yet on that menu. We'd established charitable annuities benefitting other organizations and felt this would be a good option for both the Foundation and other people interested in this particular type of legacy gift," said Jack. "Leila and I wanted to be the first to get the ball rolling."

The Nessens' planned gift will provide them with tax-favored income throughout their lives and income to the Foundation in perpetuity. The amounts donors are paid are determined by the American Council on Gift Annuities and based on the ages of the donors. This type of gift may also offer additional tax advantages for

about your plans and what you wish to support with your gift.

If you have, or are considering, a planned gift please contact us. Over the course of the next year, we will be documenting these gifts, and we will publish the list of inaugural members of the 1854 Society.

Please call us at 651-288-4326 to talk about how a planned gift may help you meet your philanthropic goals. You can also learn more about planned gifts by visiting plannedgiving.msffoundation.org.

some donors. "Though this was a new type of gift for the Foundation, the work they did to get this program set up was just perfect," said Jack. "As fair junkies, we felt fortunate to be the first to make this type of gift."

During their 57 years of marriage, the couple has never missed a visit to the annual State Fair. Jack still attends the fair five times annually, and Leila four times, even though each visit requires a 140-mile round trip from their home. They have a tradition of starting each visit the same way – with breakfast at a favorite fair location, before heading off to sell Blue Ribbon Bargain Books as volunteers for the Foundation. "I never get tired of volunteering at the fair," said Leila. "You meet the most interesting people. It's a lot of fun and I don't consider it work."

Foundation Legacy Award John Deere Company

For more than 120 years, the John Deere Company has participated in the Minnesota State Fair as a steadfast icon of Machinery Hill. Over the years, they have built several buildings, delighted fair visitors with baby buffalos and giant overalls, and most importantly, exhibited giant tractors and combines which gave fair visitors through the ages a glimpse into the future of farming. Throughout the years they have adapted to changing times and audiences while remaining a popular fixture at the fair. During the 2019 State Fair, John Deere was presented with the Minnesota State Fair Foundation's Legacy Award for their century-plus role in making the Minnesota State Fair the treasured experience it is today.

"We are extremely honored to receive this award," said Doug Anderson, President of John Deere Fair Dealers, who accepted the award along with John Deere Division Sales Manager Steve Drissel. "We've been a part of the Minnesota State Fair since the late 1800s. John Deere and the fair have grown up together. Our shared link to agriculture remains important for both of us and we value our ongoing partnership with the fair and our historical role as an agriculture resource."

In addition to their long tenure as an exhibitor, John Deere has participated in the fair in other ways, including as a partner in pulling trains in the State Fair daily parade, as an early sponsor of Bicycle Day at the fair, and more recently as sponsor of the Little Farm Hands exhibit.

John Deere continues to demonstrate agricultural equipment at the fair, showcasing products such as lawn mowers, tractors and other technological innovations that appeal to today's audience of homeowners, hobby farmers and small agricultural producers.

2019 SPECIAL PROJECTS

In 2019, the Foundation was proud to be part of several projects across the fairgrounds, including the development of the new North End and the Swine Barn Improvement Project.

The New North End

In 2019, the fair debuted the new North End! Anchoring the neighborhood is the new North End Event Center, a 12,000-square-foot exhibit hall that will house annually changing museum-quality exhibits. In its inaugural year, the North End Event Center featured ANGRY BIRDS UNIVERSE: THE EXHIBITION, a hands-on adventure of STEAM (science, technology, engineering, art and math) activities enjoyed by more than 120,000 guests.

Visitors to the North End were greeted at a new plaza that highlights Minnesota industry, history and culture. Within it is a new landmark, the 24-foot tall Minnesota Corn Faistalk, where visitors flocked to take selfies and create photographic memories. Named for the Minnesota Corn Growers Association and Minnesota Corn Research & Promotion Council in recognition of their gift to the North End Project, the Faistalk celebrates Minnesota's agricultural heritage.

"The Minnesota Corn Growers Association and the Minnesota Corn Research & Promotion Council supported the North End Project in order to share the important role agriculture plays in our state with the millions who attend the fair each year," said Adam Birr, Minnesota Corn Growers Association executive director. "The sculpture does a beautiful job shining a light on the many ways our farmers benefit all Minnesotans, and we look forward to it being an iconic attraction for years to come."

ROBERT A. CHRISTENSEN PAVILION

Swine Barn Improvement Project

The swine barn plays an integral role in bringing together swine industry leaders, thousands of 4-H, FFA and open-class exhibitors, as well as millions of fair guests in the generations-old tradition of showing animals and showcasing the best in our state's agriculture.

Built more than 80 years ago, the heavily used swine barn needed improvements to support the health, safety and overall experience of exhibitors, livestock and fair guests. Recognizing the critical role that a significantly improved and updated swine facility at the State Fair would play in advancing the swine industry, Christensen Farms made a generous lead gift to the project to honor the legacy of the late Bob Christensen. In 2019, the swine barn was renamed Robert A. Christensen Pavilion.

Further gifts to the campaign are funding significant capital improvements to the facility over several years to improve biosecurity, ventilation, lighting, technology and more. In all, the Swine Barn Improvement Project is a \$2.5 million investment. We are honored by those who have joined us in supporting the education and exhibition tradition of the swine barn, including Meg and Brad Freking, owners of New Fashion Pork, whose generous gift to the campaign will

have a great impact going forward. In recognition of their gift to the project, the east show ring will be named the New Fashion Pork Show Ring.

"Pork is an important industry in Minnesota, and we want that industry to be showcased in the best light possible at the Minnesota State Fair," said Brad. "Plus, we are believers in giving back." "Our family has a tradition of showing animals at the fair," added Meg. "Making a gift to the Swine Barn Campaign was a way to demonstrate our gratitude for the experiences we've had there over the years."

Donor Profile:**Bob & Anne Horn**

Sometimes a bench is more than just a place to sit down.

For the Horns, a bench is a way of commemorating the important people and events in their life in a meaningful and lasting way. Long-time annual contributors to the Minnesota State Fair Foundation, Bob and

Anne have donated 10 benches and counting, which bear the names of their children and grandchildren along with a bench that celebrates Bob's family's farming heritage. The commemorative benches are placed throughout the fairgrounds for use by the fair's 2 million guests each year.

In 2019, Bob donated two benches to the fair. The first one was inscribed "Anne + Bob 50" to mark the 50th anniversary of his marriage to Anne, who lives with Parkinson's disease and dementia. The second bench commemorates a concert by the Giving Voices Chorus, which is comprised of people living with dementia and their caregivers. Bob and Anne were members of that chorus and part of the group's sold-out Love Never Forgets concert in 2018 at the Ordway Concert Hall in St. Paul. On that bench, an inscription reads "LOVE NVR FRGTS."

"Donating to the Foundation's bench program is a way of remembering a loved one, or a good time, while also making a contribution that provides a concrete function that others can enjoy," said Bob. "I've seen people gathered around 'their' bench with their family and friends, sharing stories and smiles. When you donate a bench, you are offered the chance to share a memory with loved ones as well as offering a glimpse of your story to other people."

Anne and Bob actively volunteered for the Foundation many times together, and Bob continues to volunteer each year. "You see the full spectrum of life experiences at the fair, all ages and all levels of ability," said Bob. "The fair really captures people's hearts, because it's a place where everyone is welcome."

August 16, 2019

Over 1,200 Foundation supporters came together to enjoy a night of food and beverage, music, and games to raise funds in support of the mission of the Minnesota State Fair Foundation and kick off the 2019 State Fair.

**Save the Date:
TASTE OF THE FAIR 2020
will be held on
August 20th.**

Ticket information will be available this summer!

**Thank you
to outgoing
Board member**

John Fabie

Since moving to the Twin Cities 30 years ago, John Fabie and his family have made it a tradition to attend the fair together each year. "Every year provides a special memory at the fair," he said. "Being a part of the Foundation which serves this great fair has been an honor."

The Senior Director of Foundations and Endowments at Abbot Downing has served on the Minnesota State Fair Foundation's Board of Directors from 2011 until completing his third term in early 2020.

During his tenure, John was instrumental in launching the Foundation's endowment program in 2011 and growing it to more than \$1.3 million today. In addition, John established The Fabie Fund for General Support of the Foundation and its mission in 2012, which was one of the organization's first named endowments.

"Going forward, the endowment will allow the Foundation to make grants, fund large projects and be another vehicle for raising capital at the fair," said John. While he has completed his Board service, he plans to stay on as a volunteer for the Foundation's investment committee, with a goal of seeing the endowment reach \$10 million in assets.
