

Recognition Benches

at the Minnesota State Fair

Recognition benches are a fantastic way to honor loved ones or memories on the fairgrounds!

This program adds seating to the fairgrounds, supports the nonprofit mission of the Foundation, and is a great way to honor loved ones and memories. Benches are eight feet long and are made of PVC-coated steel.

Where

Benches are placed in one of four zones on the fairgrounds. You select the color of the bench (red, blue, green or yellow), which determines placement - see the map on other side for details. Benches are stored during the winter months and placed annually before the State Fair.

Cost

A contribution of \$2,500. Each bench is covered by a five-year limited warranty. Bench contributions are fully tax deductible.

Timeline

Bench orders must be received by June 1st for placement at the 2023 State Fair.

Where do the benches go?

Benches are placed in one of four zones. You select the color of the bench, and that determines placement each year. With the growth of the recognition bench program over the last several years we apologize **but we can no longer accept specific location requests for benches**. All benches are GPS located prior to the State Fair and the location can be found at the J.V. Bailey House during the fair.

Personalization

Benches can be personalized in two places: with a 14-character message on the backrest and one tamper-proof plaque that is attached to the backrest. We invite business names or logos to be included on the plaque. However, text on the backrest may not include business names or advocacy messages. The Minnesota State Fair Foundation reserves the right to edit or reject submissions.

Please visit www.msffoundation.org for a full list of ways to give to the Foundation.

Bench Backrest Text (please print clearly):

Plaque Text:

The plaque is 8.5" tall and 7" wide, is bolted to the backrest, and is printed in full color. Please email any photos, logos or text you would like printed on the plaque to info@msffoundation.org.
