2025 ANNUAL REPORT

Fiscal Year Nov. 1, 2024 – Oct. 31, 2025

Dear Friends and Supporters,

Competition is one of the defining traditions of the Minnesota State Fair. Each year, individuals from across Minnesota and beyond showcase what they create, grow, and raise.

For some, entering a competition is a chance to take on a fun challenge. For others, the pursuit of the coveted blue ribbon is a legacy passed down through generations, with showmanship and titles woven into family traditions. And for many fair guests, enjoying these competitions is the signature activity of their visit to the fair.

This year, the Foundation was proud to support improvements to two fairgrounds buildings that host signature State Fair competitions, continuing the donor-funded improvements in the Creative Activities Building and supporting the State Fair's major renovation of the Lee & Rose Warner Coliseum. These investments serve to sustain competitive traditions, from crafts and cooking to horses and livestock, for decades to come.

Looking ahead, we are excited to focus on another beloved competition destination: the State Fair 4-H Building. In partnership with Minnesota 4-H, we are raising funds to transform this historic building into a space where leaders can grow. As the largest and most ambitious project in the Foundation's history, it represents a powerful investment not only in our fairgrounds, but in the young people who will carry these traditions forward.

We are grateful for your contributions to the Minnesota State Fair Foundation over this past year. Your gifts support the State Fair's tradition of competition, the spaces that bring it to life, and the community it inspires.

With gratitude,

GRAND CHAMPION CLUB

In 2025, we were proud to have over 250 Grand Champion donors make annual gifts of \$1,000 or more in support of the Minnesota State Fair. Grand Champions give in a variety of ways. As a token of our appreciation, Grand Champions are invited to behind-the-scenes events throughout the year and receive special recognition at the J.V. Bailey House.

If you would like more information, or would like to join the Grand Champion Club, visit msffoundation.org/grand-champion

GRAND CHAMPION DONORS SARA AND ERIC WERZEL

"We are happy to support the Foundation as Grand Champions because as longtime visitors of the fair (almost 7 decades), we love to see new changes, but also appreciate the traditions and history. We indulge in the specialties of our longtime favorite food vendors. We are glad the Foundation supports the preservation of buildings that have been standing for so long."

FRIENDS ★ OF THE ★ FAIR

We love our Friends of the Fair, and we were excited to welcome them to the 12 days of fun in the new Friends of the Fair Pavilion at the 2025 State Fair!

Friends of the Fair support the Foundation's mission to preserve and improve beloved State Fair projects and programs, and their contributions are felt across the fairgrounds each year. Beyond the impact of their gifts, Friends of the Fair also get great perks!

If you would like to become an official Friend of the Fair, visit msffoundation.org/friends

ENDOWING THE FAIR'S FUTURE

Donors who established or contributed to an endowed fund with the Minnesota State Fair Foundation this year helped ensure lasting support for the fair. Endowment gifts are invested, while the earnings they generate each year provide vital funding for specific priorities across the Foundation's five impact areas. Whether your passion lies in agriculture, arts and culture, education, history and heritage, or the fairgrounds environment, your generosity helps sustain and enhance these experiences for years to come.

We are grateful to the donors who established these new funds in 2025:

- 4-H Building Maintenance Endowment
- Anne and Litton Field Fund for Fine Arts
- State Fair LEAD Fund (Leadership, Education, Advancement & Development)
- Dr. Catherine Wick Endowment for STEM Enrichment

If you're interested in learning more about contributing to one of the Foundation's existing endowments, or in setting up your own, visit msffoundation.org/endowment

JOIN OUR 1854 SOCIETY

The Foundation's 1854 Society is named in tribute to the visionary leaders who, in 1854, established the tradition that grew into today's Minnesota State Fair. More than a century later, their spirit of foresight and dedication continues to inspire and endure. We appreciate the members of the 1854 Society, which honors individuals who have included the Foundation in their will or other estate plans. Through their thoughtful commitments, these donors are ensuring that their support of the Minnesota State Fair will continue beyond their lifetime.

In 2025, we welcomed **Mark P. Adams, Joy and J.C. Amel, Eric Britt and Michelle Pett, Julie A. Fox, Nancy Gossell and Ed Kvarnes, Sherry Oleson, and Sherrie Stockton and Anita Bradshaw** into the 1854 Society.

You can learn about joining the 1854 Society by visiting plannedgiving.msffoundation.org

1854 SOCIETY MEMBER JIM WETZEL

"As my wife and I were considering our planned gifts and estate plans, we heard about the Minnesota State Fair 1854 Society as a very interesting option. We had been contributing to the Minnesota State Fair Foundation annually but were looking for something we could do to support the fair after our lifetime. We have both enjoyed the fair so many years and wanted to ensure that millions of others continue to share that 'Fair Feeling.' My wife has since passed and it even further makes me know that this was the right decision."

Tradition of **COMPETITION**

CREATIVE ACTIVITIES UPDATES CONTINUE

The Creative Activities Building is where Minnesotans put their talents to the test, joining fellow enthusiasts in canning, baking, sewing, weaving, woodworking, and many other creative pursuits. Each entry and demonstration carry the hope of earning a coveted blue ribbon or sparking inspiration in others to explore handmade crafts. In 2025, Foundation donors continued to elevate this vibrant space, funding key upgrades such as a new cooler, enhanced demonstration areas, and a new display celebrating the rich history of craft at the Minnesota State Fair.

“A space to inspire, trigger curiosity, and educate 21st century State Fair attendees.”

DONOR SPOTLIGHT **NANCY GOSSELL**

“My family has attended the Minnesota State Fair for over a hundred years. Viewing the entries in food preservation, baking, weaving, sewing, knitting and adornments of home were a MUST destination. I was drawn to help rebuild the new demonstration areas in Creative Activities because I feel that showcasing the amazing talent of Minnesotans in the creative arts requires space to inspire, trigger curiosity, and educate 21st century State Fair attendees.”

A NEW ERA FOR THE WARNER COLISEUM

On your next State Fair visit, step inside the 75-year-old Lee & Rose Warner Coliseum and see its remarkable transformation. This iconic building has undergone a major renovation, featuring a new roof, refreshed interiors, and enhanced accessibility with added ramps and new seats.

The Warner Coliseum is central to the State Fair experience and is the most heavily-used building on the fairgrounds yearround. The State Fair’s multimillion-dollar investment in these renovations ensures that the Coliseum continues to be the home of enduring memories for generations to come.

GET YOUR COLISEUM SEAT PLATE!

As part of this exciting renovation, the Foundation is offering donors the chance to personalize plates on the newly-installed arena seats. Whether your connection comes from showing animals, attending events, or simply cherishing time spent here, this is a meaningful way to celebrate those memories or honor a loved one!

If you would like more information about this program, please visit msffoundation.org/coliseum-seats

A CAMPAIGN TO TRANSFORM THE 4-H BUILDING

The 4-H Building on the fairgrounds has been a cherished place for generations of Minnesota youth for 85 years, and together with our partners at Minnesota 4-H, we've launched a campaign to transform it! This once-in-a-lifetime effort will impact youth from all 87 counties and strengthen a tradition that is woven into the fabric of the State Fair.

Nearly 5,000 4-H youth showcase their projects at the Minnesota State Fair each year. At the heart of this experience is the three-story 4-H Building, largely unchanged since it was built in 1939. In addition to addressing critical building infrastructure and updating the third-floor dormitories, the campaign will create new demonstration and classroom spaces that allow youth to shine. The improvements will make expanded use of the 4-H Building possible beyond the fair's 12 days.

This project is the largest fundraising effort in the history of either the Minnesota State Fair Foundation or Minnesota 4-H. We're grateful to be well on our way to the \$35 million fundraising goal, thanks in part to a \$10 million donation from Kathy and Jim Cargill in 2024, which jump-started the effort. Major philanthropic support for the campaign has also come from the Ames Family, Compeer Financial, Riverview LLP, and the Rosen Family Foundation.

Exterior work is currently underway, with the majority of building renovations beginning immediately after the 2026 fair. The updates will be completed in time for the 2027 State Fair.

We know that generations of Minnesotans care deeply about the 4-H experience and what 4-H brings to the State Fair, and we invite everyone to join us in this effort! To learn more about the 4-H Building Campaign, or to make a gift, go to 4Hbuilding.org

The 4-H Building Campaign is a joint fundraising initiative of the Minnesota State Fair Foundation and the University of Minnesota Foundation. Donors may direct their gifts to either organization.

"At its heart, this initiative is about the students. The young people who emerge from the 4-H program demonstrate exceptional strength in agriculture, STEM, and the arts, and they grow into leaders who serve communities across the state. The activities housed within the 4-H Building on the fairgrounds represent the culmination of their dedication—showcasing the very best of their work and achievements throughout the year."

"We are honored to support a new generation of young people who embody the values of hard work, perseverance, and integrity, while never losing sight of the joy and camaraderie that make the journey meaningful."

- Kathy and Jim Cargill

"At Riverview, we believe in providing a culture of opportunity. We are proud to support 4-H and the Minnesota State Fair, proud to invest in youth development and agriculture, and proud to help build something that will serve this community for decades to come."

- Riverview, LLP

"The Rosen Family Foundation is proud to support the 4-H Building at the Minnesota State Fair, a place where young people can learn, grow, and connect with agriculture and community. This investment reflects our belief in hands-on education, intergenerational learning, and the powerful role 4-H plays in shaping confident, capable future leaders."

- The Rosen Family Foundation

"At Compeer Financial, our mission is to enrich agriculture and rural communities—and that starts with investing in young people. We're proud to support a project that will have a lasting impact for years to come."

- Compeer Financial

"We are excited to contribute to the 4-H Building Campaign. Our family's standards of discipline and hard work match well with the planning and thought that have gone into this project. The fair's focus on the long-term impact of the 4-H Building highlights how critical these spaces are for youth development. As a family, we value the way 4-H helps kids 'find their interests', which is often the first step toward a lifelong passion or career path. We are looking forward to seeing the impact of the revitalized building."
